1200X1200

9 mm Thickness

GRANICER
CERAMICA INDIANA

Elegance

Elegance from Granicer is a fine polished surface. It features a finish that reflects a subtle shine achieved through thorough physical polishing and special glaze application, which balances the minimal shine.

Luminous

The Luminous from Granicer is an exclusive mirror-like high-polished finish. It is a brilliant surface designed to reflect most of the light to allow spaces to look lavish, bigger, & brighter. The finish is achieved through the application of a special glaze.
