GRANICER
CERAMICA INDIANA

COUNTERTOP SOLUTIONS FOR ARCHITECTURE

Design an impeccable interior with countertops crafted to adorn your counters with a countertop that reflects strength and beauty alike.

ASIA'S LARGEST SLAB MANUFACTURING UNIT

Established in 2007 as Comet Granito Pvt. Ltd., Granicer is a pioneering leader in the global tile manufacturing and exporting industry. Our innovative products cater to a wide customer base and needs with over 2000+ exclusive designs in 12+ spectacular finishes and 15+ sizes for an array of spaces and interiors. Our collection includes pioneering Vitrified tiles, GVT, PGVT, Wall tiles, and Slabs of substantial and various sizes.

Granicer has made tremendous strides, establishing itself as a formidable leader in the industry with a robust production capacity catering to domestic as well as global demand.

TECHNOLOGICALLY WORLD'S MOST ADVANCED MACHINERIES

Granicer is the house of Asia's largest slab manufacturing unit and Asia's best new tile plant, producing unmatched and unrivalled porcelain slabs in a remarkable range of colossal formats and exquisite finishes.

TURNING NATURAL
RESOURCES
INTO CERAMIC
INNOVATIONS.

The raw materials utilized in our production process are carefully turned to the finest slurry. These materials undergo thorough testing and treatment to ensure that only the highest quality components are selected for production.

THE SUSTAINABLE PORCELAIN SLABS

Bringing sustainable solutions to the forefront with Co₂-neutral slim and durable slabs from Granicer that consume less raw material, water, and energy in production and generate less pollution from transportation.

THINK SUSTAINABLE THINK GRANICER

SUSTAINABILITY IS A RESPONSIBILITY
WE ARE COMMITTED TO.

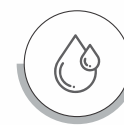

Granicer is committed to delivering eco-conscious and sustainable solutions to give us safe places to reside and a green future to hold on to with slabs backed by our sustainability mission.

Granicer Eco-friendly Plant Parameters

FUTURISTIC APPROACH.

THE ADVANTAGES OF SURFACES

Experience a surface that embodies practicality. These slabs are a design marvel as they provide protection against scratches and are easy to maintain. The Slabs are chemical and stain-resistant, as well as fire, heat, and frost-resistant, making them suitable for all environments.

These slabs are expertly engineered to withstand bending in any temperature variation and are highly resistant to impact. With their water-resistant feature, these slabs offer exceptional grip even in wet environments. Furthermore, these surfaces are highly efficient at preventing bacterial growth in all types of weather conditions.

BIG ON SIZE, BIG ON POTENTIAL.

These slabs are bursting with vibrancy and offer endless possibilities for use. Whether you envision a majestic tabletop or stylish countertops for your kitchen, dining table, or wash basin, these slabs exude unique allure and robustness.

These slabs offer excellent structural support and versatility for modern architectural designs. Consider integrating them into your space to reinforce door and window frames, as well as to add a touch of creativity to shelves, bathrooms, and staircases.
